

How to Register as a **NEW** Broadcom User

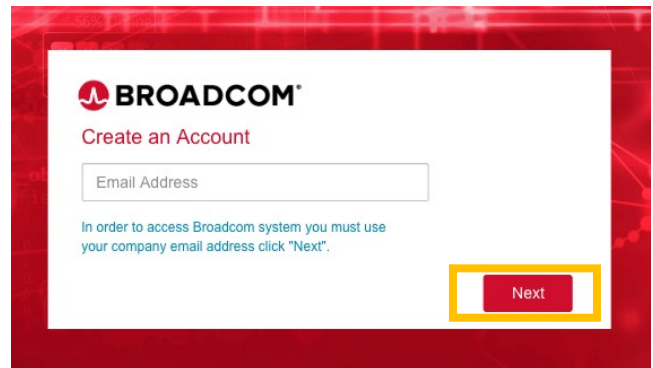

Step 1: Visit www.broadcom.com

- At the top right, click on the “Login” text and then click the “Register” button.

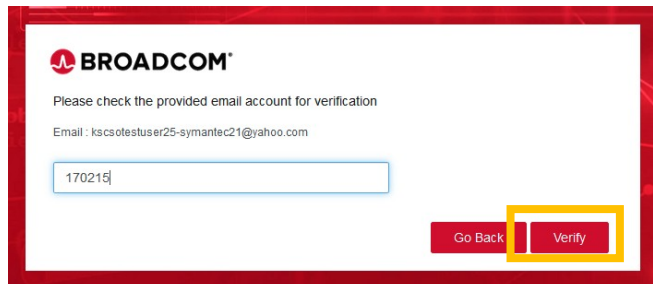

Step 2: Enter your Corporate Email address.

- You will get a verification code in your email inbox. Emails will come from a broadcom.com email.
- If you don't receive the code, please check your spam, junk, or corporate spam for the email.
- Click the “Next” button

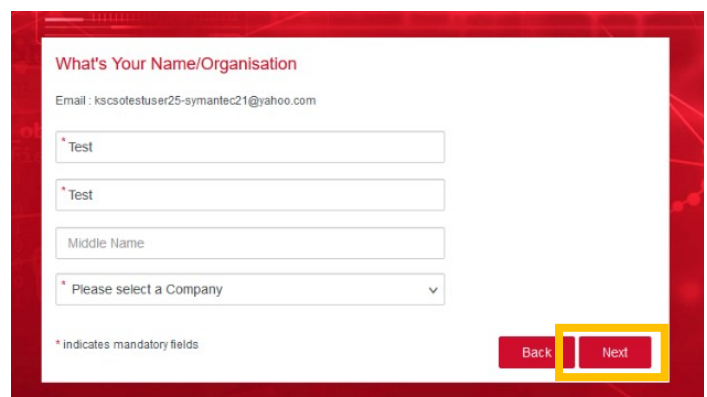

Step 3: Enter your Verification Code in the field and click the “Verify” button.

- This is the verification code that was sent to your email address in the step above.

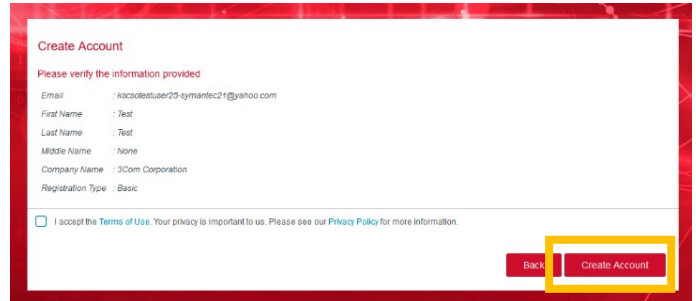

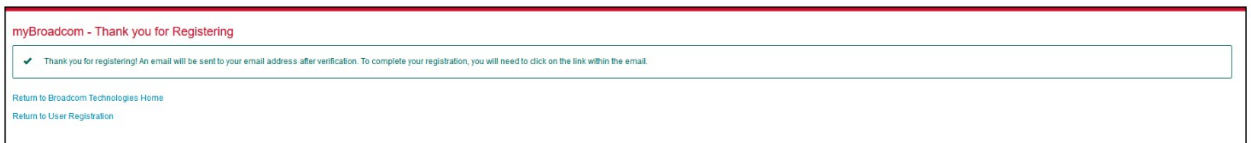

Step 4: Enter your Basic Information.

- Please note:* the company selection is only known Broadcom accounts to better align your profile to an existing account. If there is not a matching company based on your email domain, the form will allow you to manually enter a company name.
- After this section is complete, click the “Next” button.

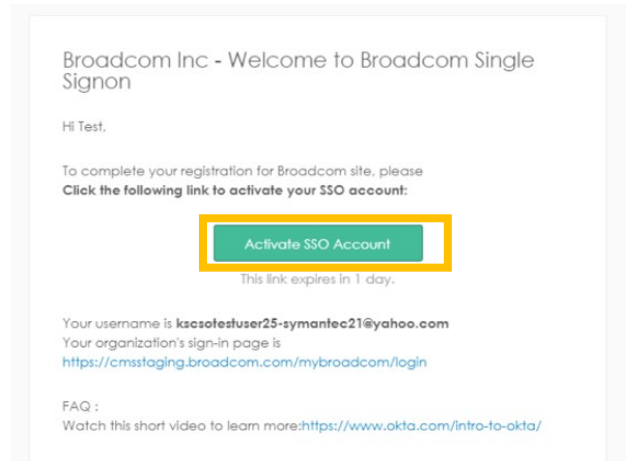

Step 5: Verify your Basic Information

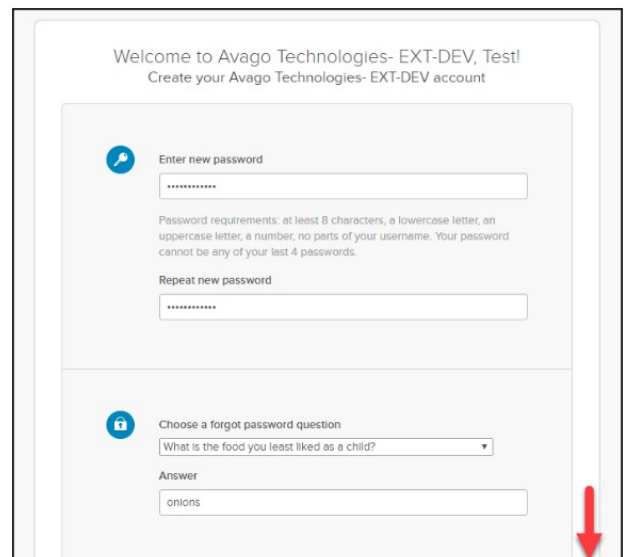

- Validate that the information captured is correct.
- Check the box next to Terms of Use after reviewing.
- Click the "Create Account" button.
- After submitting, you will see a validation screen (as below), and another email will be sent to your email account to finish the registration process.

Step 6: Check Your Email for Account Activation Link

- You will receive an email titled "Broadcom Inc - Welcome to Broadcom Single Signon" from "selfregistration.no-reply@sso.broadcom.com".
- If you did not receive this email, please check spam, junk, or corporate spam (if applicable).
- Open the email and click the "Activate SSO Account" link.
- *This link will expire in 1 day if the account is not activated.*

Step 7: Fill Out the Activation Form

- Fill out the Activation Form by setting your password and other security settings.
- When you're complete, click the "Create My Account" button

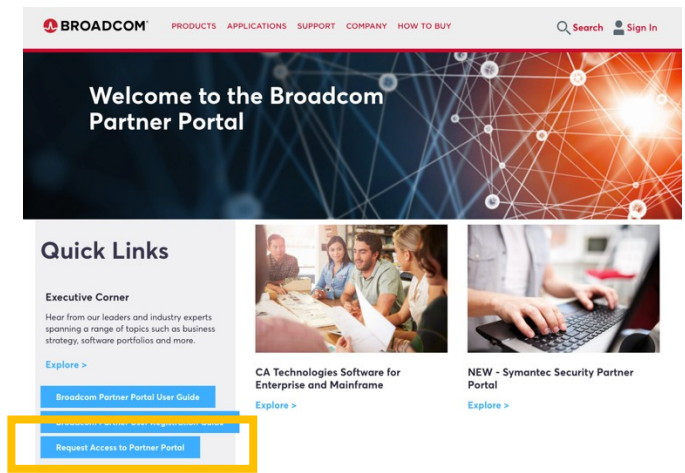

IMPORTANT!**Upgrading your Broadcom User Account to a “Partner User” Account**

Once you’ve created your Basic Broadcom User Account following the steps above, you will then need to take two more steps to upgrade that account to a “Partner User” account in order to access the Broadcom Partner Portal and the Cornerstone Learning Management System.

Step 1: Visit partnerportal.broadcom.com

- Click on the blue button that says “Request Access to Partner Portal”.

The Partner Request screen will appear.

**Step 2:** Partner Request Submission

The screen below will appear, showing your email address. Click the “Submit Request” button. A green box will show that your request was submitted successfully:

Partner Request

Email Id :

✓ Your Partner Portal Access Request has been submitted successfully

DONE ! : Your request will be reviewed, and you will receive email notification within 24 hours.
