

February 13, 2019 4:15 PM from Octavie Chakoute (internal) to everyone: All, you can ask your question here

February 13, 2019 4:19 PM from Rakesh (privately): will this enhancemnets such as VRRP be extending to other VNA plugins like Nuage as well, when they get updated?

February 13, 2019 4:19 PM from Nagesh Jaiswal (internal) to everyone: Hi Dave, Yes. This session is recorded. And we will post it later.

February 13, 2019 4:20 PM from Nagesh Jaiswal (internal) to everyone: Sorry about the password issue.

February 13, 2019 4:20 PM to Nagesh Jaiswal (internal) (privately): from Rakesh (privately): will this enhancemnets such as VRRP be extending to other VNA plugins like Nuage as well, when they get updated?

February 13, 2019 4:21 PM from Nagesh Jaiswal (internal) to everyone: Nuage support for Spectrum is planned for future releases

February 13, 2019 4:29 PM from Nagesh Jaiswal (internal) to everyone: Hi Nick, This is planned for Spectrum and currently under flight.

February 13, 2019 4:30 PM from Princy to everyone: Hello, for the Web Swing UI, has it been fixed where the mouse wheel doesn't allow vertical scrolling?

February 13, 2019 4:31 PM from Nagesh Jaiswal (internal) to everyone: Hi Princy, Yes. But this is planned for next release of Spectrum. We are working on the all the feedback which we are getting for OneClick WebApp

February 13, 2019 4:32 PM from Princy to everyone: Thanks Nagesh. From the screenshot that was presented, it looks like the Show/Hide drop box issue was fixed so that it shows "Show" and not "Sh...".

February 13, 2019 4:42 PM from john to everyone: Question

February 13, 2019 4:42 PM from Leo to everyone: This webex has been recorded and will be posted Correct

February 13, 2019 4:42 PM from john to everyone: DB Updgrade from Legacy to new DB

February 13, 2019 4:42 PM from Leo to everyone: Thanks

February 13, 2019 4:42 PM from Clark to everyone: When will AES256 with CFB that Cisco uses be supported?

February 13, 2019 4:42 PM from Olaf to everyone: are there plans to support Telemetry streams in Spectrum CAPM or VNA?

February 13, 2019 4:42 PM from john to everyone: is there a path to upgrade the lagace "small" db to the new larg to include all Policies, configs,

February 13, 2019 4:43 PM from john to everyone: thSANM?

February 13, 2019 4:44 PM from Ruud to everyone: IS there a CA APM pacckage available for CA Spectrum to check the Spectrum performance / transactions?

February 13, 2019 4:44 PM from Rakesh to everyone: any plans on Telegraf in Spectrum?

February 13, 2019 4:45 PM from bryan to everyone: what are the requirements for the UIM filtering to work? we configured it and the nimsoft.jar appears to refuse to use the group names in it's queries.

February 13, 2019 4:45 PM from Rakesh to everyone: Telegraf

February 13, 2019 4:45 PM from Princy to everyone: Will there be a new Jaspersoft with Spectrum 10.3.1 or is ver. 6.4.3 the recommended version to use with it?

February 13, 2019 4:46 PM from yan to everyone: The OneClickWebApp: If it is a Beta, why it is included as CA GA?

February 13, 2019 4:46 PM from bryan to everyone: 10.3.1 spectrum

February 13, 2019 4:46 PM from bryan to everyone: great!

February 13, 2019 4:48 PM from yan to everyone: OK, Many thanks. Understand.

February 13, 2019 4:48 PM from Princy to everyone: Thank you.
