CA Communities

Maximize Your Experience Through
CA Communities visit communities.ca.com

Become a CA Champion

Join the conversation around both technical and business topics with CA Communities

Share ideas, tips, information and insights among peers and technical experts

Improve Your Results	Community Benefits
▪ Maximize benefits received from CA technology	▪ Best practices, use cases and insight
▪ Maximize value by learning from others	▪ Product training and peer to peer knowledge sharing
▪ Improve effectiveness of staff and time to resolution	▪ Self help and community based issue resolution
▪ Provide feedback on technology and releases	▪ Voice your business requirements and be heard
▪ Both online and face to face peer networking	▪ Virtual and Regional User Group forums

CA Communities
How can I get involved with the Communities?

CA Global Communities
- Social networking platform that allows online conversations 24x7
- Interact virtually via webcasts, message boards, blogs and chat
- Start by joining a community and subscribe to a message board

Regional User Groups
- Face to face meetings in your local area
- Share knowledge and experiences with customers and CA employees
- Join the regional group of your choice and attend a meeting

- MyCA is a place to connect to your professional network, share information and find answers
- Access to CA Communities, CA Champions Program, CA Support and more
- Register and create your MyCA personalized profile

Become a CA Champion

- Your participation will earn you:
  - points
  - badges
