

# IUA/CA IDMS Technical Conference

## FREE! Come to learn, influence, mix and mingle at the IUA/CA IDMS Technical Conference

**For the first time ever**, the IDMS User Association and the CA IDMS product team have joined together to host a joint technical conference at the **CA Development Center for CA IDMS** and you're invited! Registration is still open! [Registration form link](#)

### When and where:

We begin with one day of Pre-conference education followed by 2.5 days of technical sessions, round tables, and 1:1 opportunities.

Start Time: December, 2 2014 – 8:00 AM EST

End Time: December 5, 2014 – 12:00 PM EST

Location: CA Technologies Office, Framingham, MA. [Map Link](#)

- **NO knowledge of CA IDMS** required for the SQL class on Tuesday and many of the application developer sessions for the remainder of the week. What does that mean? If you are a web developer that needs to access your company's CA IDMS database, these sessions are for you.
- You can directly **influence the direction of CA IDMS** during our "interactive ideation session". Bring your ideas to the conference. See how agile development techniques bring those ideas to life quickly and what's in store for release 19.0 and beyond.
- Are you a novice CA IDMS DBA? We have special classes just for you on Tuesday. Then you can **network with experienced colleagues** for even more informal learning.
- **Want to talk 1 on 1 with someone from CA?** You can do that. We've got that covered on the registration form.
- **FREE of charge lunch** on both Wednesday and Thursday + **FREE dinner** Thursday evening. Provided by CA Technologies.
- [New England Aquarium](#) Event Night + **FREE** dinner and transportation into Boston. Held on Wednesday and sponsored by the IUA.
