

To: CA Gen Customers
From: The CA Technologies CA Gen Product Team
Subject: General Availability Announcement for CA Gen 8.5 Incremental Release 4
Date: July 6, 2015

On behalf of CA Technologies, we appreciate your business and the opportunity to provide high-quality, innovative software and services. As part of our ongoing commitment to customer success, we regularly announce updated releases and maintenance for our products. Today, we are pleased to announce the availability of CA Gen 8.5 Incremental Release 4.

CA Gen 8.5 Incremental Release 4 adds support for the HP NonStop® platform and includes:

- CA Gen Toolset Technical Design Enhancements
- CA Gen Encyclopedia Cross Generation to HP-NSK
- CA Gen Workstation Cross Generation to HP-NSK
- CA Gen Implementation Toolset Option to HP-NSK

These are documented in the Release Notes in the CA Gen 8.5 Bookshelf and in the Release Information category in the wiki.

CA Gen 8.5 Incremental Release 4 is only available via electronic download from <https://support.ca.com/>. The Toolset and generator enhancements are delivered as PTFs, the Implementation Toolset is a new ISO download.

Please visit the CA Gen product information page on the CA Support Online website at <https://support.ca.com/> for detailed information concerning this Incremental Release, up-to-date support information, and the latest technical bulletins.

Should you need any assistance, our CA Services experts can help. For more information on CA Services and how you can leverage our expertise, please visit www.ca.com/services. To connect, learn and share with other customers, join and participate in our CA Gen EDGE CA Community at <https://communities.ca.com/>.

Your success is very important to us, and we look forward to continuing our successful relationship with you.
