To: CA Workload Automation AE Customers  
From: The CA Technologies CA Workload  
Automation AE Product Team  
Subject: General Availability Announcement for CA Workload  
Automation AE R11.3.6 SP1

On behalf of CA Technologies, we appreciate your business and the opportunity to provide you with high-quality, innovative software and services. As part of our ongoing commitment to customer success, we regularly announce updated releases and maintenance for our products.

Today, we are pleased to announce the availability of CA Workload Automation AE R11.3.6 SP1. This Service Pack includes all maintenance published prior to this update. By installing this Service Pack, you ensure that your systems are current on maintenance for R11.3.6.

Please visit the CA Workload Automation AE product information page on the CA Support Online website at <https://support.ca.com/> for detailed information concerning this Service Pack, up-to-date support information, and the latest technical bulletins.

You can download your copy of CA Workload Automation AE R11.3.6 SP1 from CA Support Online <https://support.ca.com/>. If you have any questions or require assistance please contact CA Customer Care online at <http://www.ca.com/us/customer-care.aspx> where you can submit an online request using the Customer Care web form: <https://communities.ca.com/web/guest/customercare>. You can also call CA Customer Care at +1-800-225-5224 in North America or see <http://www.ca.com/phone> for the local number in your country.

Should you need any assistance, our CA Services experts can help. For more information on CA Services and how you can leverage our experience, please visit [www.ca.com/services](http://www.ca.com/services).

Your success is very important to us, and we look forward to continuing our successful partnership with you.
