3,300+ Ideas

560+ Videos

13,100+ Questions

1,100+ Blogs

60+ Polls

QUESTIONS ANSWERED

>98% Answered Overall

>69% Answered Within Two Days

You guys are already better than same-day a lot of the time.

For minor issues the community generally provides a faster reply or things to try without having to raise a support ticket.

EVENTS HOSTED

130+ Roadmaps
Learn about upcoming product functionality and features along with architectural benhancements

60+ askCA
A chat session where your questions are answered by CA support engineers and CA product managers.

120+ Webcasts
Webcasts where you can gain some additional insights into products. Webcasts are often recorded and posted to the communities site.

CA Champions

CA Champions exhibit the highest levels of participation, engagement and standards. CA Champions help ensure that the CA Communities remain on topic and focused around knowledge sharing to better enhance the users' experience, deployment, implementation and productive usage of CA Technologies software.
